Santa Barbara Meeting

The 13th Annual Meeting of the Pacific Slope Section of the Lepidopterists' Society was held at the Santa Barbara Museum of Natural History, Santa Barbara, California, June 11 - 12. About 40 members, some with their families, were registered, coming mostly from California. Ronald H. Leuschner was elected Secretary-Treasurer Pro Tem. The symposium on the Heterocera was very well done and the other papers were very good also. An illustrated talk on a collecting trip to northern Australia, by Thos. W. Davies, was exceedingly interesting. We must thank Nelson Baker and the Museum for the very fine local arrangements, and Dr. C. L. Hogue, R. H. Leuschner and W. Levi Phillips for setting up an excellent program.

An invitation from Dr. Paul Ritcher, Chairman, Department of Entomology and Dr. Ernst J. Dornfeld, Chairman, Department of Zoology, Oregon State University, to meet at Corvallis next year was accepted. The date of this meeting will be announced later, but it will be in late June or July.

RESEARCH NOTICE

WANTED FOR RESEARCH: Papilio polyxenes asterius and Danaus plexippus living ova or chrysalids. Will exchange for or purchase. Richard Arnold, 735 McKinley Lane, Hinsdale, Ill., 60521.

NEW MEMBERSHIPS AND SPECIAL ORDERS. . . .

All new memberships and special orders, except for abstracts of "Recent Literature on Lepidoptera" for the current year, received by the Treasurer on or before the end of the month will be processed for shipment by the 10th of the following month. Thus domestic recipients should receive their material by the 15th of the month following that in which ordered. Foreign delivery takes a little longer unless the member wishes to pay the difference between sea mail and air mail postage. This procedure will reduce the amount of administrative work done by the Treasurer without any real inconvenience to the member. Urgent requests will receive special attention and correspondence will be answered promptly.

--Roy O. Kendall.

SPECIAL NOTICE TO FOREIGN MEMBERS

Effective with 1967 dues notices, the Society will no longer use E. W. Classey Ltd., 353 Hanworth Rd., Hampton, Middlesex, ENGLAND, as its official agent. All members will be asked to mail dues direct to the Society Treasurer, Roy O. Kendall, 135 Vaughan Place, San Antonio, Texas, 78201, U.S.A. Most foreign members are already doing this. It is hoped this change in policy will not cause a hardship to any member.
