ANNUAL SUMMARY

Reports for the Annual Summary for 1967 should reach your Zone Coordinator by February 15; his name and address is in the 1 December NEWS, along with instructions for preparing reports.

RESEARCH NOTICES

WANTED FOR GENETICS RESEARCH: Live pupae by the hundred of pure, native A. polyphemus from any part of North America. Will pay good prices, Charles Oliver, 360 O.M.L., Dept. of Biology, Yale University, New Haven, Conn., 06520.

NEWS NOTES

Dr. William A. Anderson, M. D., of Lutherville, Maryland, kindly contributed \$15 to the Illustration Fund of the Society in memory of his good friend and our fellow Lepidopterist, the late Mr. Franklin S. Chermock. It would seem a most appropriate way to perpetuate the memory of such an enthusiastic Lepidopterist by aiding in the dissemination of knowledge.

SOCIETY EMBLEM - As a result of the request in the 15 July NEWS, a number of drawings of suggested emblems have been received, some of them very good, and the committee is now voting on them and will decide, possibly at the Annual Meeting in June, whether one of them can be used.

NOTE - The Grants-in-Aid of Research Committee of American Scientist have announced its award for 1967, among which is the following: Denis F. Owen, University College of Sierra Leone, Freetown, Africa. "Ecological genetics of snail and butterfly populations in tropical Africa", \$500.

ANNOUNCEMENT OF 1968 ANNUAL MEETING

The Nineteenth Annual Meeting of The Lepidopterists' Society will be held June 15-18 in Washington, D. C., at the Museum of Natural History. The program will proceed as follows:

June 15 (Saturday)	Registration 10 a.m., Natural History Bldg. Open House 1-5 p.m.
June 16 (Sunday)	Field Trip
June 17-18 (Mon.-Tues.)	Presentation of Papers
June 18 (Tuesday)	Banquet, 7 p.m., Museum of History and Technology

The first day of papers will be largely devoted to discussions on the phenomenon of Polymorphism in Lepidoptera with Dr. H. B. D. Kettlewell of Oxford, England, as the principal speaker. The second day will feature an invitational address by Dr. H. E. Hinton, of Bristol, England. Those desiring to attend or participate in the meetings should return the form below no later than MARCH 1, 1968! Except where specifically solicited, all papers will be limited to 20 minutes presentation followed by 5 minutes discussion. Because of the number of invitational speakers, it may not be possible to accept all papers submitted at large, but every effort will be expended to do so.
