Massillon Station, July 16, 1883

Dallas County, Ala.

To the Director of Geological Department
Washington, D.C.

Dear Sir,

I have a Mastodon tooth which is about 15 pounds and think I can find other parts of the foarnce, this was found about 20 feet under the ground, would it be of any service, and what will be it value please or wish to get it of me answer by mail.

Yours Truly
W. F. Blunt Jr.
