Prof. O.C. Marsh

Dear Sir,

I wish to inform you that I have a few specimens of Stage 2 in number 48, 2 axes, 2 scrapers, and the finest collection of Arrowheads. I will send the pictures to you so you can judge the value. I would not ask anything but an indebtedness for Board while I was gathering the same. I have given Skulls that the owners at this time would not part with for 20%. The length of one of these is 14 inches long and very sound provided you should order the things. Please say in what way you wish them sent. I will gather some images as soon as I get.
