Of Montgomery and Boston, Mass.
17th April 1878.

Prof. Marsh
New Haven
Dear Sir,

I have a collection of dresses worn by Apaches and some other tribes of Arizona and a collection of portraits of natives of the above territory which might interest you in Rust of Chicago. If you are making a collection, I might dispose of mine to you if we can agree on terms. I have spent five years in Arizona.

Yours truly,

C. S. Tuttle.
