My dear Prof. March,

Your letters of June 15, 16, & 26 I received. Glad to hear the boxes came in in good condition & that the contents were of interest. Have eleven more ready to ship.

I promised Prof. Leaven last spring that I would come up & look over his collection sometime. He is very anxious that I should come & has been writing me for the past three months to come. I will go today. For if I don't Scott will be there in a few days.

Burz writes me that he is having some success in Kansas. He may make a visit before he goes east.

They can all come to this locality that want to now. I think I have it all corralled & they can do no damage. At any rate, they will not make me very uneasy.

How did Yale come out on the boat race?
Have quite a lot of mammals ready to send.

Enclosed please find receipt for money sent. Receipt from Peterson for Salary. Will send others soon.

Some Relation, Gus Crawford

P.S. I am getting poor and don't think any more of refreshing water from me.
Longpine, Sept. July 17, 1870

My dear Prof. Marsh:

I received your letter of the 14th today. I am very sorry that Baur's visit has caused you so much uneasiness, for I am sure you have no cause to be at all uneasy. I told him before I took him out to camp that I received him as a friend & a gentleman, and I should expect him to make use of anything he saw which might be of any use to you. I am sure he will not. If you think Baur can use me to your injury in any way, you do me an injustice. I have always protected myself & you out here & I am not at all alarmed yet, nor would I be if Baur, Scott, &c. all should invade my territory. Baur will stay here a few days with me & then go on to New York. He is through collecting for the season. He was at camp only one day & was greatly pleased with his visit.
I had splendid rainfall the last of three days. Found four Tri. skull one of which I know is new and another I think. The horns are have a dark grove on their inner sides running their whole length.

I also found a skeleton which bids fair to surpass anything yet. I never saw such fine to the bones they equal those of the rhinoceros in Kansas. As soon as Bear leaves I shall go back to camp and will soon have a large shipment ready.

Enclosed please find vouchers for July. You will see that I have increased mine $50.00 as you said you would raise my salary $50.00 after July 1st. If you get as much, the appropriation was extended 30 days. The vouchers call for $425.00. Please credit me with $350.00 on note and send the remaining $850.00 to me at Ensko so that I wish get it.

July 31st.

Are you coming out this fall or not? I should like to know. Did you have an article in the June Journal? If so will you please send me a copy. Banks will collect nothing more this year.

Yours truly, C. C. Hatton.

My dear Prof. Marsh:

Your telegram of July 20th received. I was very much disappointed to learn that you had not yet sent balance for braven's collection. As you wired me on the 15th that you had already sent it, I have been depending on it to get back to Eusk, as I had a great many things I wanted to do here before I returned not having been home before in over three months. I paid braven $115.00 & the expenses of my trip out of my own pocket & this had made me a little short. You spoke about $75.00 you sent braven last winter. I know nothing about that. Braven told me that you had only paid him $475. on the collection & wanted to know if I thought that was all he was going to get out of it & I told him that I knew nothing about it. However my deal had nothing to do with your old one I bought the collection for $670.00
including the expense of the trip & sold it to you at the same price. I am sure it was very reasonable at that price & I thought I was doing you a favor when I did it.

Dr. Baus goes east tomorrow. He will collect no more this season.

Prof. Scott will not be out before Aug. 1st. So his stay will be a short one.

I wish you would come out here for I want to see you before I go East this winter. We are having a very wet harvest here.

Yours truly,

J.B. Hatcher.
