Black Butts June 1874

Proff marsh sir:

Would you be so obliging as to send me one of Sharps rifles like some Smiths, 50% of an inch calibre round bavell and set triggers and if you cannot get one like his send me an octagon barrelled rifle of the calibre of .44 of an inch between the weight of eight and eleven pounds and change the same to me.

Respectfully

Jacob Heisey

P.S.

I am in great need of it.
Send it to Greene River. Sity in care of S. J. Field.

Jacob Heising
