To Sir.

I learn that in Silliman's Journal of July 1877 (p. 87) you have described a new genus of Dinosaur under the name of *Stilanosaurus*.

If you will refer to the "Records of the Geological Survey of India" for February 1877 (p. 28) you will find that the generic name was *Aigna*.
I am for another genus of this species from India.

My name has...
