Washington, June 14th, 1892.

Dear Mr. Marsh,

I am in receipt of your kind note of June 10th and of the box containing books, pamphlets etc for Moscow. Many thanks for your kindness. The box will be sent at once to Russia, so that it will reach its destination before the opening of the Congresses.

I send you here enclosed the invitation to the membership of both the congresses, together with the receipt of your subscription, the amount being $6.00 for both congresses. It would be highly appreciated, if you would go yourself to Moscow, and you may be sure of a most cordial welcome. I would request you to let me know beforehand, if and when you are going, in order that I might notify of your arrival Prof Bogdanoff and the other members of the committee.

Yours most cordially

C Stowe
