

## OBITUARY

JOHN ADAMS COMSTOCK  
Jan. 30, 1883–Dec. 26, 1970

Entomologists will learn with regret of the death, on December 26, 1970, of Dr. John Adams Comstock, at his home in Del Mar, California. Past President and Honorary Life Member of the Lepidopterists' Society, he would have been 88 years old on Jan. 30, 1971.

His interest in Lepidoptera started at a very early age and continued throughout his long and very productive life. He published over 220 papers in various journals, and he wrote and published *The Butterflies of California*.

A complete biography and bibliography will be published in the 25th anniversary publication of the Lepidopterists' Society in 1972.
