

Office of the Chief of Engineers,
United States Army,

WASHINGTON, D. C., August 18, 1880.

Prof. O. C. Marsh,
Palace Hotel,
San Francisco, Cal.

Sir:

Your letter of the 28th July enclosing
bills of

E. P. Sheldon & Co. for electrotypes, \$138.60,

Punderson & Grisand for printed plates, \$1770.00,
was duly received.

The electrotypes and printed plates have been
received at the Government Printing Office and the
Disbursing Agent of the Engineer Department has this
day remitted to the above parties the amount of
their bills respectively.

By direction of the Acting Chief of Engineers.

Very respectfully,

Your obedient servant,

H. M. Adams

Captain of Engineers.
