Dear Sir!

We have packed and will ship to you as freight within three or four days two cases. No 1 contains the skeletons of two male and three female fur seals and the Skull and tusks of one walrus. No 2 contains the skins of one male and two female fur seals. These are all from St. Janss island Alaska. Our vessels from the Arctic and Kamchaska have not yet arrived. We may have some other specimens for you next month.

I have received the work you kindly sent me on corals and Coral islands for which please accept many thanks

Very truly yours
W. F. Miller
