Dear Mr Marsh

I thank you for  
your note, & I  
shall be very  
pleas'd indeed to  
see you on Wednesday  
as you so kindly  
propose - unluckily  
my weak health  
prevents my taking  
to say one in the  
morning, but if

You will join us at  
Lunch, which we  
have at 2 o'clock,  
it will give us  
much pleasure, &  
afterwards we can  
both visit the  
Goswells. They are  
verry worth so  
much attention on  
your part I think,  
& I am not now  
able to make  
excursions, & catch  
to them, but much

as they are, they are  
built at your service  
& I shall much enjoy  
the opportunity  
of some further  
conversation with you.  
I think you will  
find trains by  
Citrusville which  
will bring you  
down conveniently  
& I shall wish for  
you on Wednesday  
if I do not hear  
to the contrary.  
With kind regards

I am  
Very Truly Yours  
Saml. A. Beckler
