

DR. FRANCIS D. BUCK,

43 West 29th St.

No. 158 W. 48TH ST.

New York, June 17th 1895.

Prof. V. C. Marsh

Dear Sir

I take the liberty of asking as a great favor, if you would be willing to write a letter to the "Committee on Admissions" of the Century (7 West 43rd St. N. Y.) Association, speaking a word in my favor as a candidate for election.

Prof. Chandler of Columbia College has kindly put me in nomination, & Dr. Wheelock has seconded it; & it is necessary to have letters from those who have known me in former years; although it is several years since we met, the last time at the Morse's house, when they were living in New York, still I trust that you may still remember me when in the class of '69 at Sheffield School, New Haven. If you feel that it is asking more than you can conscientiously do after so long a period has elapsed since meeting together, do not hesitate to

say so, as I will not consider it unreasonable,
considering how great a favor I am asking of you.

Your's very cordially

F. D. Buck
