Published by THEO. S. CASE.

Kansas City, Mo.,

Sept 9th 1878.

Dear Sir, Yours of the 6th inst has been received. Our mounds have never yielded anything but bones, so far, & even those only in a promiscuous & confused condition as if thrown together after having been a long time exposed to the weather & to the attacks of wild beasts &c. There are mounds at Warrensburg Mo. which have some better, & those at Charleston Mo are very rich in pottery &c.

J. Case

Truly Yours
