

Office State Geological Survey

New Brunswick, N.J. Sept. 14 1869

Prof. O. C. Marsh,

My dear Sir,

I have not been able to send you the copies of Geology of New Jersey, as proposed, until this time, in consequence of the edition of the Cretaceous Map being exhausted, - and the new copies have but just come in. They go by Express today, - & I shall be glad to hear that they reach you in good order. - It costs less for you to remit by check, - and so I have not marked the C.O.D. -

The price of 3 copies of the Geology &

Maps is \$18.00

Six copies of the Cretaceous Map 3.00

\$21.00

Yours truly

Geo. H. Cook

Office State Geological Survey

Prof. O. C. Marsh

My dear Sir,

Your letter containing twenty one dollars, payment in full, for 3 copies of the Geology of New Jersey, and 6 copies Cretaceous Map, was duly received.

I should like much to visit your collection, and see the rich additions you are making, and shall avail myself of the first chance to do so. — I shall be glad to see you here at any time, — and to talk over matters in which we are interested.

Yours truly

Geo. H. Cook
