Prof. O. C. Marsh

New Haven, Ct

Dear sir: I just learn through Prof. Boss of his invitation to the National academy to hold its November meeting in Albany. I write by first mail to add our cordial invitation and to say that a more formal invitation will I am sure be voted by the regents at their next meeting. We shall be glad to extend every courtesy in our power and will try to make the meeting as agreeable as possible to your members. I hope the choice will be to meet in Albany and to be present at the formal opening of the beautiful new Dudley observatory.

Yours very truly

Melvil Dewey
