My dear Sir

Your note of the 1st Decr last has just reached me, but I have not time by this mail to ascertain whether or not I shall be able to comply with your request to any great extent.

I may however say that nothing shall be wanting on my part to obtain & forward to you a collection of the District Birds worth accepting.

I shall be able to write you more definitely by the next mail and in the meantime

I am dear Sir

Yours very truly
