Prof. Otthiel C. Marsh

Yale College,

N. Haven Conn, Dear Sir,

I left orders with  
Wallace, Taxidermist, to ship to  
your care nineteen (19)  
Indian birds, which I had  
stuffed & wired ready for mounting,  
all expenses, including freight, pre-  
paid, which I should be happy  
to present to the Peabody Mu-  
seum, trusting they have come  
safely to hand, I am

Very Respectfully
