Dear Prof

I have seen that lot of pottery & it is really as wonderful as represented. I think an effort ought to be made to secure it for New Haven & Russell is willing to let it go there as cheap as any where I would like it. Call ed the Post-Collection. I have written father if you will call on receipt of this telegraph reply by Friday I shall be able to see Russell before I go back.

I think you will be surprised at the style & work displayed. He will show in addition to

pottery Several skulls &
Celts & a few arrow heads
of stone implements. I think
an effort ought to be
made to get it - It is
of great beauty in size &
color as well as style
of decoration.

Hoping you will be able
to arrange with Father
for its purchase

I am yours

Dear Prof.

Reached home
yesterday & find that you
are absent for the week.
Now the Russ is in Phila
& will stay for several
days. A & E would like to
meet you & I think it
would be the best thing
to do. If you wish to
communicate with him
a telegram sent - to
H. N. Russ - Atlas Hotel, Phila
will reach ^{him} here. I think
the collection is I think
all that it is reported to be.

and would be a duped
addition to the Museum.
I shall be in town the
rest of the season.

Yours &c
