NINE WELLS,
GREAT SHELFORD,
CAMBRIDGE.

My dear Prof Marsh

I hope you had a
good time at Ipswich
I was very sorry to miss
you.

There seems to be some
uncertainty about the
best way of keeping
the Huxley Memorial
in ^{the} States. — It has been
suggested that Ctee.
should be formed in
the chief American
centres — & this which has

has already been acted
on in Boston & elsewhere
seems the best plan.
Would you feel inclined
to start such a class
for New Haven & the
surroundings.

One duty of such a class would
be to compare together
with the view of expressing
some common view as
to what form the
Memorial should take

beyond the Statue & Medal;
for we shall certainly
have friends - & I hope
we may in the end
be able to hit on some
big thing.

With best wishes for the
New Year
Yours truly
M. Foster.
