

Manchester

3 May/55

Dear Sir

Monday would suit me
better than Tuesday if it
is the same to you - It would
hardly be worth while coming over
to me for one day; there
would be no time to see many
minerals - Surely you do

not contemplate coming
over here from Sheffield and
returning same day; 7 hours
out of daylight would be
taken up in mere travelling
to say nothing of eating! -

What ever time you may
be in Manchester I will
take care to meet you in
such a way as to insure
getting over to my house
as soon as possible; but
I trust you will remain
the night with us, as it
is hardly worth while coming
over Office here is in Chancery
Lane, Booth St. —

Yours truly
R. P. Greg
