Dear Professor Marsh

Allow me to offer
my best thanks for
the copies of your
various Palaeontological
papers & addresses
which you have been
kind enough to send
me from time to time

I send with this a
copy of my Lectures
on Physical Geography,
of which I beg yours

acceptance —

You will see that I
have made free use
of your valuable
works — Believe me
to remain, yours

very truly

Saml Haughton
