

UNION PACIFIC RAILROAD COMPANY.

AGENT'S OFFICE,

Green River STATION, July 6th 1871

Prof. O. S. Marsh
Yale College.

Dear Sir:

In compliance with request of Mr Brown I send forward by Express one Box specimens -

Mr H. H. Meade letter authorizing Agents to forward such freight free of charge was never recd by me.

I regret it very much but - as you are fully aware, I cannot send such job free without the necessary authority -

I will with pleasure gather to gather all the natural curiosities of this region and along the line of this division of the road if you desire.

Very Respy Yours

M. L. Hoyle
