Canon City, Colorado, March 20, 1877

O. C. Marsh

Dear Sir

A man by the name of Costillo was just in our store and gave me a lot of Bones to send you he would like to have you name them if you have the time

Why not you can out here it will not take but a boat four days and in four days more you can get a few digere and get a vast amount of bones in sight of the depot and you can get around the Oil wells plenty of Shells and very Large Bones the speranms sent to day was put in a tin Box

Your truly
Humphrey & Co

S W. HUMPHREY & CO.,

Wholesale and Retail Grocers, and Dealers in Wines and Liquors.

Canon City, Colorado. March 20 1877.

O C Marsh

Dear Sir

Your is at hand The place from which those Teeth came from is in the Hills which we call Hog Backs on the the west line of the little town of Canon City you can get wagon loads of bones and specimens of shell Snakes

Your man J Baldwin makes bed gylens at our store and would be good man to gather them for you you can write him

You had Peter come out there is good Hotels here and A R R Road and you can see here the oldest Sand Stone formation on the Continent according to what some scolar say that has been here you can send the job and get a car load of specimens

Yours Truly Humphrey & Co
