I am sorry to hear my model of *Dinoceras*
reached you in such a broken state! Thank
you for papers recently received. I am here
till end of October, studying German. My
address is below. You will have seen
my new book by this time. (Suppose Appleton's
will send you a presentation copy) Look
out for "Punch" June 9th. It has another
amusing "Prehistoric peep" by Mr Read, done
at my suggestion, introducing Gal: "Monsters,
running in a Race."

Yours truly
