Mr. Marsh

Dear Sir

I shall ship  
a box next Monday  
containing the Deers head  
Shade, Quails &c  
I done the best I could  
with the Quails -

Do not like Grubbers  
skins - Have stuffed  
many of them -

He does not leave in the  
wing bones, & that spoils  
the shape of wing -

After skinning wing does  
not draw the skin back

All I ever saw of his  
work was grubbed so  
much to be of much  
value - Res. C. Lillson
