*Office of the Chief of Engineers,
United States Army,*

Washington, D. C., August 21, 1890.

Prof. O. C. Marsh,
New Haven, Conn.

Sir:

April 15, 1881, you requested that 150 copies of Vol. VII., Survey of the 40th Parallel, might be retained here subject to your order.

As no requests have since been received relating to these copies, and as the space at the disposal of this office for storage of publications is quite limited, your wishes as to the disposal of these books are requested.

By direction of Major H. M. Adams,

Corps of Engineers,

In charge:

Very respectfully,

Your obedient servant,

John G. D. Knight
Captain, Corps of Engineers.
