Dear Professor:—

Yale College,
New Haven, Conn.

It gives me great pleasure
to give personal attention to your re-
quest & everything possible will be done
to expedite the shipment—

Years ago when surveying for
the Govt. in the Rocky Mtⁿ region of Colo-

radio & New Mexico. I was exceedingly
~~sorry~~ never to have been under your orders or
attached to your Survey - Clarence King
once applied to War Dept. to have me detailed
but Genl. Sherman opposed it -

If you can have some of the
Survey reports sent me I shall
be under obligations to you -

Yours very truly
C. A. Bailey

Dear Sir:

I have the honor to acknowledge receipt of your letter of the 10th inst. enclosing bills of lading sent you for certification from Capt Meade, D.A. There can be no doubt but that the bills were sent you through some inadvertence. It will give me pleasure to take the subject up and to do what can be done to hurry the shipment forward from Hannibal, D.A. and I beg

Sir:

In July, nineteen boxes, weighing 4450 lbs., property of the U. S. Geological Survey, were shipped from Hermosa, South Dakota, through the quartermaster at Fort Mead, South Dakota.

The boxes were addressed "Prof. O. C. Marsh, U. S. Geol. Survey, New Haven, Conn.," and have lately been received, but no bill of lading accompanied them, and no duplicate B/L has been received from your office, as customary. Can you kindly inform me where the difficulty lies, so that I may be aided in the settlement of the last carrier's account?

Very respectfully, O. C. Marsh,

I have again addressed Mr. Martin upon the subject and as soon as I can obtain copy of his transfer will forward you the required bill of lading.

Sir:-

Again returning your Original Bill of Lading No 16, Mo Valley to Chicago; I beg to invite your attention to the fact that that bill of lading shows that the property is to be delivered to the Depot Quartermaster at Chicago, Ill., and that there was no authority for delivering the property to the Michigan Central Railway, and to request that, in the future, I may be consulted as to the disposition of any freight consigned to my care.

I will be much obliged if you will show transfer by attaching receipt of the Michigan Central Railway as Bill of Lading can not be had from that Company without their receipt showing that the stores have been delivered to them free of charges.

Your early attention is requested that further complications may be avoided.

Respectfully &c.,

True copy,
