My Dear Sir:-

A long time ago I promised you our Jap dog for Museum purposes whenever we desired to part with him. He seems now to be about upon his last legs, and if agreeable to you we propose to ship him to you any time you can take charge of him. Please notify me how it would be best to send him to you, or better still, if you are likely to be in the city soon call in and see me.

Yours truly,

J. I. Raymond,
