Prof O. C. Marsh -

W^r Sir -

I leave for
my Mother so send to
you a few Indian
curiosities of the Apache
tribes. I trust they will
be acceptable - I had
a skull for you but
as I came through New

Mexico it was "gobbled" -

I hope you will succeed
in your honest endeavors
to show up the Indian
management - I learn to day
for the Dept of Mission, along
the R. P. RR - I do not know
exactly what Post, but a commu-
-nication addressed Care Head
of the Dept Mission Denver with
plans, will reach me -

Very Respectfully
Rev - Reilly
