Washington, D. C., Nov 1, 1882.

Prof. O. C. Marsh,

New Haven, Ct.

Sir: Your letter of the 15<sup>th</sup> ult. to the Director of the U. S. Geological Survey, reached me to-day. In answer to your inquiry about 500 extra copies will say that, if your article does not contain any lithographing, they will cost you about \$33.65.

The law governing the printing of extra copies, only provides for their being furnished at the time the regular edition is printed, and that a deposit must be made covering the estimated cost previous to filling the order. If you desire the 500 copies, please send Postoffice Money Order payable to Cadet Taylor, Chief Clerk, for the amount named.

Very respectfully

Cadet Taylor  
Chief Clerk.
