Prof O. C. Marsh

Dear Sir

Returning a few days since from a trip to Ohio where I have been most of the time since Dec. I found your letter of the 14<sup>th</sup> ult in regard to fossils showing color from this locality. I regret to say that I have no first rate specimens on hand as I give nearly all I had to a party in St. Louis in the early part of the winter. I will however with pleasure collect and forward a box to you in the spring as soon as the place where we get them is in a condition to be worked if you so desire

Very Truly Yours

H. T. Woodman

If not delivered within 10 days, to be returned to
